We'll return from Camp Taconic on Sunday, August 21, and will be arriving at Roslyn High School at **approximately 11:00 PM**.

## About Band Camp

Band Camp is a healthy, educational and well-chaperoned activity. Band Camp is where the Marching Bulldogs learn basic techniques, like how to march, and complex tasks, like marching into various formations while playing an instrument. The main goals of Band Camp are to learn all of the drill for our competitive show and to learn how to execute those drills in sync with each other. The Marching Band show's success is dependent upon the mastering of basic playing and marching techniques. Great attention is given to the music and every student's success. A typical day at camp includes approximately five hours of field rehearsal and three hours of music rehearsals. Ample time is allowed for supervised recreation. The camp is supervised by Marching Band staff and parent chaperones 24 hours a day. There will be two parent chaperones assigned to each cabin; parents will sleep in their designated cabins. There will be an informational meeting for parents who have any questions about camp. It is very important to attend this meeting. The meeting date will be posted on the band website **roslynband.com**. Lastly, the 2022 competition show will be designed **ONLY FOR THOSE STUDENTS ATTENDING CAMP**. Students electing not to go to Band Camp can still perform in the Symphonic Band and/or Wind Ensemble within the school day. In order to be in the marching band you must attend band camp.

**The cost for the Marching Band Season is \$1,300.** This includes the entire Band Camp and the State Championships at the Syracuse Carrier Dome, a 4 day, 3 night event. Band Camp Includes transportation via coach buses to Camp Taconic, three meals a day, water all day, an afternoon snack and an evening snack, cabin accommodations, exclusive use of Camp Taconic, and a Roslyn Bulldog Band T-Shirt. The Syracuse trip from October 28th through October 31st, 2022 includes travel via coach buses, 4 days/3 nights in a Syracuse hotel, as well as all meals.

## **Marching Bulldogs Information**

The Marching Bulldogs have earned a reputation for excellent and entertaining performances. This unit has appeared at local events, on national television, at sites in the New York Metropolitan area, and on tour. The Marching Bulldogs consist of four main sections: The Winds (woodwinds and brass), the Colorguard, the Battery, and the Pit. All groups are vital components of a competitive band. Judges' scores are based on the effective execution of the routines performed by each group. The Colorguard is a group of students who provide the required aesthetics of a competitive show, dancing, using flags and other equipment. Elements of dance and gymnastics add to the Colorguard's representation of each song. The Pit provides the upfront percussion sounds required for a competitive show. Pit musicians do not march in drill formations but instead set up their instruments at the front of the field and play at the same time as the Marching Band. The pit includes any percussion instruments required for each song, including, but not limited to: xylophones, timpani, marimbas, vibraphone, chimes, assorted percussion instruments, and gongs.

**The annual Summer Band Camp** is the main arena for preparing these four groups to become actively involved with each other in the learning process. The basics of marching and playing techniques are taught during camp and an "esprit de corps" develops which is very important to the success of the unit. **In order to participate in the marching band students must attend the entire Band Camp.** In addition, musicians in the Marching Band must be scheduled for either the Symphonic Band (no audition) or Wind Ensemble (through audition), which meets during the regular school day. Students who are enrolled in high school orchestra or chorus during the day can also participate in the marching band if they already play a marching band instrument or learn an instrument that the band needs. Exceptions due to scheduling conflicts will be considered by the band director.

## **Students without experience may join**

New students may audition for the marching band starting on Wednesday nights in February, March and April on instruments needed to fill out the instrumentation. Contact Mr. Mauriello if interested in auditioning.

## **Marching Band Rehearsal Attendance**

During the Spring, rehearsals are held from 6:30 to 9:30pm on Wednesday nights. During the Fall, rehearsals are also on Wednesday nights from 6:30 to 9:30 pm and sometimes on competition days prior to leaving for the competitions. Attendance at rehearsals and performances is **MANDATORY**. Students who have a conflict with any rehearsal **MUST SUBMIT** a parental note at least **TWO WEEKS** in advance. Students with **ONE ABSENCE** will be given a **WARNING** from the band director. Any additional absences can result in removal from the Marching Band. The final schedule is posted on the [roslynband.com](http://roslynband.com) website on or around June 1st of each year.

## **Marching Band Competition Attendance**

Band members **must attend all competitions and shows**. As in a school musical, each position is crucial to the success of the entire unit. The show is custom written for the exact number of people in the band and even one hole affects each member's drill, which must be modified at the competition and is not acceptable. Anyone who has a conflict with one of the shows may not be a part of the marching band. In a competitive marching band, every person has a leading role. **Before committing to the band please look at the schedule online and make sure you can attend all the fall events and rehearsals.**

## **Uniforms**

Students are expected to supply black socks and shoes. We will let you know the cost around the first day of school for the marching band shoes (we buy them in bulk and they usually cost about \$30). Anyone with long hair **MUST** wear it under his/her hat or pull it back entirely. The staff will give further details. Extra parts are not brought to the events, so students must make sure that all uniform items are in the garment bag before leaving for each show. **Students without the FULL uniform cannot perform.**

## **Instruments**

All students who play flute, clarinet, alto sax, trumpet or trombone must secure instruments on their own (through a music store rental or purchase). The school will provide tenor saxes, baritones, french horns, tubas, pit instruments, and percussion.

## **Performance Behavior**

When the Marching Bulldogs appear at a public performance, we are representing the school, the community, and many times even the state and country. Proper behavior at public events is essential for maintaining a positive reputation. The uniform must be worn properly. Members should be either in complete uniform or not in uniform at all. In addition, students must be respectful and courteous to all chaperones, adults, and other band members. Proper behavior and a positive attitude must be at their highest levels when the school and the community are represented. Students who jeopardize the performance of the group will receive disciplinary action, which may lead to possible exclusion from the marching band on a temporary or permanent basis.

## **Drugs and Alcohol**

**Any band student found to be under the influence or in possession of drugs or alcohol will be REMOVED from the unit and referred to the high school administration. Teachers reserve the right to check closed drink containers, coolers, or cabins at any time during Band Camp, rehearsals, or on trips.**

## **Bus Regulations**

When the band is traveling to and from an event, ALL SCHOOL FIELD TRIP RULES are in effect and will be enforced, including but not limited to:

- Students may not smoke or vape at any time.
- Students must remain seated while the bus is in motion.
- Students are required to return from field trips with the group unless a parent note is provided in advance. In addition, the student must be handed off to their parents by a staff member.
- Students must be punctual. Bus departures are based on rigid schedules involving many people.
- Students must return on the same bus on which they departed.
- Students must exit the bus out of the front door only.
- Students will be held personally responsible for any damage or vandalism to a bus.

**Parents, We Encourage You to Get Involved!**  
**High School Marching Band is a great activity! Join us  
by being part of the Marching Band Experience!**

## **Chaperone at Band Camp!**

We need parent chaperones to ensure the safest, most productive band camp experience. Fathers and mothers are needed. You will not be on duty all the time. Breaks will be scheduled so that you can utilize the camp facilities. All meals and a place to sleep will be provided. Parent chaperones will be sleeping in the student cabins and will therefore **not have to pay the cost of band camp**. See the band camp page of [roslynband.com](http://roslynband.com) for sign ups to chaperone band camp.

## **If You Want To Sign Up**

I assign all parents to cabins and update it daily on the Band Camp page of [roslynband.com](http://roslynband.com). ## **Band Camp General Information**

**No Food or Snacks:** Band members may not have food sent, delivered, or brought to the Roslyn Band Camp. Any dietary needs will be met by the camp kitchen. There is a section on the permission slip for special dietary needs. Snacks are not allowed in the cabins at any time! They attract rodents and critters. There will be three meals and an afternoon and night snack provided daily. Students will also be able to purchase snacks and drinks at the canteen which will be open nightly. Students must only eat in the cafeteria or the canteen. Camp Taconic has a strict rule of no food in cabins at any time. Water is available around the camp at all times so each student needs to bring a water bottle.

**Bedding:** Twin beds will be available in the cabins, but students must bring bedding. Sleeping bags are recommended. Students must also bring pillows and towels.

**Personal electronics and games:** No video games of any kind are allowed at Band Camp. We do allow handheld electronic games but you may only use them on the bus ride. Each student should also bring their cell phones, chargers, and an electric fan (optional). At Camp Taconic there is full cell service and an electric outlet over every bed. Jewelry, money (more than reasonable spending money) and expensive personal items should be left home.

**Pack in ONE large suitcase:** Pillow and sleeping bag may be carried separately and placed on the overhead rack inside the bus. We must also pack all of the band's instruments and therefore, cannot accommodate multiple luggage bags. Please pack only what you need for the week.

**Cabins:** Check for any room damage before you occupy your cabin. Report any damage to the chaperone in charge immediately. **ANY DAMAGE FOUND AFTER THIS TIME WILL BE BILLED TO THE STUDENTS OCCUPYING THAT CABIN.** Also, cabins are to be kept **CLEAN**.

All students will be held responsible for the cleanliness and maintenance of their living area on the buses, in their cabins, and the common areas of the camp.

### **Cabins and Chaperones**

All students will be assigned to cabins by grade level. For example, senior boys will be in one cabin, junior boys in another. If a grade must be split due to size it will be separated alphabetically. One adult parent chaperone will be assigned to each cabin and will sleep in that cabin with the students. Boys and girls are NOT ALLOWED, under any circumstances or at any time, to enter a cabin of the opposite sex. This will result in removal from the camp at the parents' expense (see ground rules on page 7).

### **Medical Needs at Band Camp**

We always have a certified nurse on site for the entire band camp. Any medical needs can be brought to them the morning we depart for Band Camp. Please send Mr. Mauriello an e-mail for any medical needs which will need attention during the week.

## Marching Band Costs and Eligibility

### **The Total Cost of Marching Band**

Marching Band Camp and Syracuse Championships is \$1,300 total. Free and reduced lunch students will be required to pay a percentage of the total trip cost. E-mail or text Mr. Mauriello privately for assistance.

### **Board of Education Approval**

Band Camp and all overnight trips are totally at the discretion of the Board of Education who must approve them. As with all extra-curriculars, the Marching Bands' existence is completely dependent upon the budget as approved by the Roslyn Board of Education.

### **Eligibility for Marching Band**

Any band member who graduates from the Roslyn Middle School Band Program is automatically admitted to the Marching Band on their instrument. Drummers, Pit, and Colorguard members must audition in the Spring of the prior year, starting on Wednesday nights. We have openings for some available instruments to balance our instrumentation for members with no prior experience. Anyone interested must audition for Mr. Mauriello, be able to immediately get some notes out on the instrument, and be willing to rent an instrument and take private lessons on that instrument in the Spring of the prior competitive season. Please contact Mr. Mauriello if you are interested in starting on a new instrument. Like a sports team, a marching band needs a balanced number of each instrument to compete. New members cannot simply join on any instrument.
