

Hello Roslyn Winterguard Family, Friends and Community,

Competition #2 Info is here! This week is a BIG show with over 60 units and an exhausting 20-hour day for our show hosts: the Band Parents of South Brunswick HS. But these parents run a tight ship! They have been hosting shows for YEARS. The South Brunswick venue is beautiful, and its also legendary in the activity as "hallowed ground" for some amazing historical performances. Hopefully you will consider joining us at this show as we make our own history in our inaugural Winterguard competitive tour.

We need audience members to cheer for us.

If you are planning to attend this show please let Chelsea know - we have a limited number of admission bracelets avail first come, first serve.

What to expect at the show:

Here at Roslyn Winterguard we are coming off a strong start - finishing 1st out of 5 guards in our class at the Hillsborough show Feb 4. BUT, that was over a month ago. And now there are 12 competitors in our class (Scholastic A) and several of them have scored higher than us the past few weeks. We are also coming off of a full 11 days without practice. So all we can do is go in and have the best run of our season so far. The rest is out of our control. But your cheers and applause definitely help energize our performers.

IMPORTANT NOTE:

As we now enter a pretty dense period of weekly competitions, these emails will be coming in weekly (usually two weeks prior to show) so there will be overlapping information. I Just want to highlight the importance of being TUNED IN to which shows are which weekends. Obviously we (or our parents/supporters) would not want to end up at the wrong HS at the wrong time. As always please reach out with any concerns or questions. And yes! you may forward this to anyone who is planning to attend.
