ENTERTAINMENT
EXCELLENCE

Dear Community Business Owner,

We are the Roslyn High School Colorguard and Band Fans booster organization. We are thrilled to announce that our second-annual Celebration of Color will take place on Saturday, February 1, 2025, in the Pratt Recreational Center at LIU Post Campus.

This exciting non-competitive showcase will feature over 150 talented performers from nine Long Island high school colorguard programs in an unforgettable evening of artistry, music, and performance.

This year's event promises to be even bigger than last year's success, with nearly 1,000 spectators expected to attend. Proceeds from the evening will support the Roslyn High School Winterguard program as we embark on a historic 2025 competitive season, including our first appearance at the prestigious Winter Guard International World Championships in April.

To ensure the success of this event, we are inviting local businesses to partner with us by purchasing advertisements in our commemorative event journal. This journal will be sold at the showcase and distributed to the many families, friends, and community members in attendance.

Your advertisement not only helps to highlight your business but also directly supports the growth and development of our talented students.

Here are the advertisement options available:

Full Page: \$100

Half Page: \$60

Quarter Page: \$35

As a supporter, your business will be recognized as a valued part of our community's efforts to celebrate and nurture young talent. Additionally, your contribution helps offset travel costs for our team's ambitious 5-state performance tour.

If you are interested in placing an ad, here are three easy options for purchasing:

- Contact one of our winterguard members directly and write a check made out to Roslyn Marching Band Fans
- Contact Amanda Alves at aalves1391@gmail.com
- Visit www.roslynband.com/fundraising for a fully digital ordering experience

The deadline for submission is January 15, 2024

Thank you for considering this opportunity to support the arts and make a meaningful impact on our students' educational and performance experiences. Together, we can ensure that this Celebration of Color is an unforgettable event for performers and attendees alike.
